Saturday, Jan. 13, 2018

8:00-8:30 a.m.  
**Breakfast & Registration** at the Odum School of Ecology.  
Coffee and pastries available.

8:30-10:00 a.m.  
**Opening Plenary Session** in Forestry Auditorium  
Welcome from Dean John Gittleman  
Plenary Address by Monica Turner, PhD ’85  
Introduction by Peter Raven, President Emeritus of the Missouri Botanical Garden and former Home Secretary of the National Academy of Sciences

Monica Turner, a member of the National Academy of Sciences since 2004 and Past President of the Ecological Society of America, is a landscape ecologist who studies the ecosystem effects of fire and other disturbances and the ecological effects of climate and land use change.

10:00-10:15 a.m.  
**Coffee Break**

10:15-11:30 a.m.  
**Session I: Foundational Research and Current Connections from O.S.E.**
- Christopher D’Elia, PhD ’74
- Weixin Cheng, PhD ’89
- Evelyn Gaiser, PhD ’97
- Christina Faust, B.S./M.S., ’09

11:30-12:00 p.m.  
**Jere Morehead, President, University of Georgia**  
Ecology and the University of Georgia

12:00-1:30 p.m.  
**Lunch**

Updated 11/17/2017 9:25 a.m.
1:30-2:15 p.m. **Session II: Foundational Research and Current Connections from O.S.E.**
Current faculty members introducing their research and role in ecology at Odum.

2:15-3:15 p.m. **Panel Discussion: Moving Forward to a Stronger, More Diverse and Inclusive Ecology**
6 lead panelists:
- 2 Emeriti Faculty or Alumni
- 2 Current Faculty
- 2 Current Students

3:15-3:30 p.m. **Coffee Break**

3:30-4:30 p.m. **Alumni Rapid-fire Updates** *(Tentative venue: Ecology Auditorium)*
Here’s a chance to share what you’re up to these days with a short talk—3 minutes max! Alumni Presenters will be invited to self-identify.

4:30-6:00 p.m. **Reception** *[Venue: Courtyard (weather permitting)]*
**Student Poster Session** *(Tentative venue: Ecology Hallways)*
**Communal Art Activity** *(Tentative venue: Ecology Hallways)*

5:00-6:00 p.m. **Drop-in Networking** *[Venue: Ecology Building (weather permitting)]*
Modeled on the successful Conservation Careers Speed Networking session held during the Conservation Ecology and Sustainable Development Graduate Program’s 20th anniversary event, this session provides alumni an opportunity to present information about careers in their organization or general field of interest to current students in an informal setting.

6:30 p.m. **Alumni Weekend Banquet and Closing Plenary Session** *(Magnolia Banquet Hall)*
Welcome from Dean John Gittleman
Recognition of Emeritus Faculty
Introduction to alumni and development initiatives by Allison Walters, Development and Alumni Relations Coordinator
Plenary Address by Beth Shapiro, BS/MS ’99
Beth Shapiro, received a MacArthur “genius” grant in 2009, studies molecular and genetic evolution and ancient DNA to understand how species change through time in response to environmental change. Her most recent book, *How to Clone a Mammoth: The Science of De-Extinction*, was published in 2015 by Princeton University Press.

**Sunday, Jan. 14, 2018**

7:00 a.m. **Breakfast** *(Ecology building)*

9:00 a.m.-1:00 p.m. **John K. Spencer Memorial 5K Run-Walk**
Join the Odum School Graduate Student Association for this annual fun run-walk held in memory of John K. Spencer, MS ’17. Proceeds support the Spencer Memorial small-grants fund.

10:00-11:00 a.m. **Guided tours of the Georgia Museum of Natural History, Georgia Museum of Art, State Botanical Garden of Georgia, and the Hargrett Rare Book Library.**
